

Louisa Bebel ✓
daughter
of Emily Peterkin = Joseph Bebel
married
Ernest Vaughn Prior

They lived in Kempsey until after Tom
died. "Auntie Louie" and my mother were
great friends all their lives. I'm afraid
I never kept any dates or names of
this family. But I did have some very
good photos of Mary Ann Churchill Peterkin
- m^{rs} Maxine and of Emily Peterkin (Reibel).

"Auntie Louie" died a couple of years
ago (in Sydney) and her body was brought
back here to be buried beside her husband.
I gave the photos I had to her daughter.

I had a photo of Alexander Peterkin
and his buggy. I gave it to Dick
Prior eldest son of "Auntie Louie" when
he was down from Queensland some years ago.
