We live in a beautiful rural location but sometimes people need a gentle reminder of the Countryside Code.

Dont forget to hang out your flags & bunting this coming Saturday to mark the 75th Anniversary of VJ Day and end of WWII.

If you wish to observe the 2 minute silence at 11.00 at the War Memorial then please be aware you do so in a private capacity at your own risk and should take your own precautions in accordance with current guidelines but we ask that you observe at least 2M social distancing out of respect to those who prefer the greater distance.

Are you a garage or garage supplier?

Please can you help us?

(We're very happy to mention anyone who does help on our social media)

One of the few PPE items that require no particular safety standard regulation is car seat covers (like ones used for an MOT)

It would be amazing if garages or garage suppliers could consider donating us unopened rolls of these

We've purchased 700 so far, seat covers adds 36p to the cost of a return journey, quite simply any donation could drop this figure towards zero

If you can help please call 0300 3030 125

or email

info@volunteerdriverservice.org.uk

Please Share

***On a personal note I must hear, 'Have you got car seat covers sorted yet?' 'What are you doing about car seat covers?' 'How many car seat covers do we have?' 'When are you getting car seat covers?' literally on the hour every hour, for the last 2 weeks from Maayke

Please help me help her to move onto a different subject to nag me non-stop about***

Thank you loads to Cyclogical Shop, Deddington (what a cool name btw) for donating 30 bagged seat covers, we're going to use them for our training

It would be amazing if garages or garage suppliers could consider donating us unopened rolls of these, it would make a huge difference to us and our passengers

Delmergate Pharmacy in Deddington are looking for delivery drivers for 2-3 hours a day from Monday to Friday.

Please ring us on 01869 337583 if you are interested. A job share is possible.

We would also like to thank all of our customers over this difficult time. We only allow 1 person or family in the shop at a time so it is very safe, come in and see us!

At the beginning of lockdown we made the decision to deliver to everyone over 60 and/or self isolating and we hope you found this useful.

We hope to carry on this service in the short to medium term for those who need it. Please let us know if you no longer require deliveries. Our current drivers are students who have been fantastic but are back to University in September.
