BURIALS 1813 - 1845

(Inside front cover) The Pillars & Arches of the Church were restored to their original Condition, the old pulpit removed, & a new one with Reading Desks was placed in its present situation, & a complete Service of new Communion plate together with the present altar piece & tablets etc. were supplied at the joint expence of the Vicar & his Wife in the years 1836 & 1837 - with a new Communion Table & Covering. The roof of the Chancel was completely reloaded & restored with two new Beams, & very many new Rafters & the windows which had been partly closed up, were all reopened with entire new glass throughout under the superintendance of the Vicar at ~~mix~~ the joint Expence of the Windsor Chapter & himself in the year 1838, & divers other alterations & improvements made in the Church at his own Expence.

(Inside back cover of Register)

The new Inner Door of the Church covered with Cloth etc. was put up at the sole Expence of the Vicar in the year 1837.

Another new Inner North Door covered as the other was put up at the ~~xxix~~ Vicar's Expence in 1840 or beginning of 1841.

The Organ was erected by voluntary Contributions in 1840 & opened for Divine Service on Sunday Sept. 20th in the same year - The Case was presented to the Parish entirely at the cost of the Vicar. Part of it was manufactured from the Timber of the famous Chesterton Oak near Bicester, felled in 1835, containing more than 1200 solid ft. of Timber - purchased by the Revd. Mr Risley for £124-12-6 when standing.

The 3 Chairs within the Communion Rails were purchased by the Vicar previous to the Bishop's Visitation in May (24th) 1842.

The Roof of the Nave of the Church was taken down, & a new one put up, of oak, & the Lead all recast in the months of Aug. & Sept. 1843.
