#### Who are we?

We are the Deddington and Parish Covid-19 response team – a group of local volunteers.

We are organised into zones covering Deddington plus a team in each of Clifton and Hempton. Zones are shown on the map below.

***Please call us if you need help or information.***

This might be to collect shopping or prescriptions, or just for information.

*If you are unable to leave home and need shopping from the supermarket, please call your zone captain, we are here to help you! It's that simple.*

***There are well over a hundred volunteers throughout the parish supporting the zone captains and parish council – many thanks to all.***

### Dog walkers– please help!

There has been a noticeable increase in the amount of dog mess around the village - especially at the Windmill Centre end. PLEASE clear up after your dog – if you are unable to purchase dog poo bags, then your zone captain has a small supply.

## Bonfires

Current guidance is that we should **not** light bonfires while the pandemic continues. Smoke can pose a risk to people’s health, so avoiding fires will reduce the chance of people having their airways affected and avoid further burden on the NHS.

## Food Bank

The Food Bank donations trolley is the porch of Deddington Church so that we can continue to support the work of the Banbury Food Bank. Please be generous if you can and leave donations of food which is not perishable, that is, tins, packets etc within their use by date, and not fresh food, fruit or vegetables. Many thanks, Rev Annie
