

The following table lists all the freeholders in the parish of Deddington (in alphabetic order) who paid Chief or Fee Farm rents to the Dutchy Manor.

**Num** in the first column of the table identifies the key-number of the property on the Cartwright map. Most of the key-numbers are the same as the ones on the 1808 Enclosure map.

**Vill** = C, D or H indicates that the property is in Clifton, Deddington or Hempton

**Rent** shows the type payable FF = Fee Farm and C = Chief

**The** final three columns give the annual rent to the Dutchy Manor in Pounds, Shillings and Pence

I've also appended a short table giving the names of people mentioned in the property descriptions, usually being former holders of the land.
