A great big **THANK YOU** to all these people
for making this concert possible:

Elsa Williams

for all the time given rehearsing the adult performers' songs
and for her computer skills in producing this programme.

Heather Nason and Sarah Liebrecht

for their work helping the young performers.

John Hodges

for kindly lending us his Clavinova
and for playing at the start and during the interval.

Dave Sullivan and Richard Teare

for making sure we could be seen and heard.

Don and Eileen Anderson and David Watt

for providing and serving the refreshments.

The Deddington Youth Club

for organising the tuck stall.

John Cheney and Kate Petty

for being two thirds of the organising sub-committee.

Sue Shelley, Kayla Petty and Liz Dickinson

for being on the door.

Everyone taking part.

You, the audience,

without whom the whole event would not be particularly worth doing.

Mental exercise!

What do you think of when you consider 'England'?
Have three thoughts and discuss them with the people sitting next to you.
Try hard to be positive!!

How well do you know this country?

How many of the 'Images of England' displayed in the lounge
do you recognise?
