98b	Handbill	Result of polling on Mr. John Calcutt's motion, seconded by Mr. C.D. Faulkner, that the Pool in Market Place be filled up, and on Mr. Gibbard's amendment that the Pool remain as it is. 98d	Poster	Lengthy address to the Inhabitants of Deddington who possess Honesty and Common Sense by William Freeman. Deddington Pool a stagnant pool which for years a place of danger and a public nuisance. 53 inhabitants voted to fill in Pool and 21 persons voted against, but the latter prevail because of the multiple votes accorded to landowners. This shows "the class of the individuals, and the very small number, who rule this large Parish, and manage its enormous expenditure." After scrutiny, the corrected voting figures are for Mr. Gibbard's amendment 71 less 14 illegal = 57, and for Mr. Calcutt's proposition 67 less 4 illegal = 63, a majority of 6 in favour of Mr. Calcutt's proposition to fill-up the Pool.
