

OLIVER HAWES

Oliver spent most of the first 40 years of his life in Africa where he served in the Kenya Regiment and Kenya Police and farmed. On his return to England he worked for many years in the City, and he and Margery came to Deddington when he retired in 1990. He was a familiar and active member of the community here, a founding member of the Farmers' Market and was one of the convivial little circle at the Red Lion. He took great pleasure in his allotment which was ideally situated at the end of his garden. He made many friends and will be very much missed. We offer our sympathy to his wife and family.
