REPORT ON TITLE

TO THE

NORTHAMPTON TOWN AND COUNTY BUILDING SOCIETY

We have examined the Title to the property situate at Wichamour cottage
Philcot Street Baddington Brown
offered by M William Thomas Morely Honey
as a security for an advance of £ 9000000 @ 6½ % on first Mortgage.

The description of the property in the Deeds, as to the Title and otherwise, agrees substantially with that furnished by the particulars.

The purchase money appears to be £ 19500000

The Tenure of the Property is Freehold / Householder years from

Ground or Chief Rent is £ — payable —

Has the Local Authority made or agreed to make any Improvement Payment in respect of the

property? The certificate of local search does not reveal any such payment.

Particulars of any other borrowing to be arranged None to our knowledge.

The Property is not Registered at H.M. Land Registry.

Is the road adopted and have all charges been paid? The road is unadopted by the County Council as an unclassified road.
(If the reply is in the negative, please attach full details)

Remarks as to special restrictions or covenants affecting the property, or generally:

None

If the Mines and Minerals are reserved do the Deeds provide for Compensation for damage resulting

from the working of minerals or Brine Pumping? There is no reference to mines and minerals in the Deeds.

We hereby certify:—

1. The Title to be good and sufficient for the purposes of the Society.

* 2.—That the proposed security has been is being acted under the provisions of a valid Planning Permission.
