Are you looking to get to your Covid-19 vaccination?  
Volunteer Driver Service can help.  
Our drivers use Level2 PPE and are used to taking people to medical appointments, we take over 400 every month.  
Our drivers are DBS checked.  
Passengers pay 45p per mile to cover the driver's fuel cost and wear and tear, this charge starts from the drivers home.  
If you think Volunteer Driver Service could help you or someone you know please call 0300 3030 125  
If our service isn't for you \*\*\*Please Share\*\*\* this message just in case it's perfect for someone you know

We are so excited to be reopening our campsite on 12th April, I think everyone needs a break and change of scenery!!!. Please be aware that the Government roadmap dictates we cannot open our facilities until 17th May so if you will need to be self contained up until that point.

Please contact us on 01869 226334 or email [bookings@theclifton.co.uk](mailto:bookings@theclifton.co.uk) to book your pitch.

23rd March National Day of Reflection

Reflect • Support • Hope

Take a minute's silence at 12 noon on 23 March to show your support for the millions of people who are bereaved and take a moment to connect with someone.

The Church bell will be tolled at the end of the minute's silence.

Getting ready at The Red Lion for our opening on the 12th. A roof to keep you dry and heaters to keep you warm. A big welcome back to all our customers. In the meantime Thursday to Saturday takeaways. [www.redliondeddington](http://www.redliondeddington) for details.

Tomorrow is one year on from the first national lockdown. A day of reflection to thank colleagues, partners, and all those who volunteer to connect and support those in need. Strength together continues to make a real difference.

If you are able, take a minute at 12 noon to remember and pay tribute to all those whose lives have been affected during this challenging year.

From Oxfordshire County Council

Take a minute  
to reflect...

...and a  
moment to  
connect.

Being a Parish Councillor I expect can sometimes be a thankless task. Volunteer Driver Service wanted to say thank you to the 5 Parish Councils (so far) that have helped us with our PPE costs.

It's things like this that have stopped VDS passing on PPE costs to our lovely passengers for 8 months so far.

Thank you to all involved with Parish Councils

All households with nursery, school and college-aged children and young people, including their bubbles, are now being asked to take part in twice-weekly rapid LCR tests.

Tests are still available at our symptom-free test sites for those who work outside the home.

If you don't qualify for those but you're a parent or carer, you're now able to collect tests from any of our testing centres.

As national lockdown eases, regular testing over the Easter period will help us keep the virus under control across the county.

Head to our website for a full list of testing site locations and opening times:
