

## OVER WORTON.

**FIRE.**—On Wednesday evening a fire broke out on farm buildings, at Over-Worton, belonging to the trustees of the late Mrs. Wilson, in the occupation of Mr. F. Bennett, and the origin is unknown. The Fire Brigade, under the captaincy of Mr. G. S. Hedges, was soon on the spot, but, owing to no water being near, the fire could not be extinguished, and buildings, implements, and crops, were speedily consumed. We hear that the buildings are insured with Messrs. Lovell and Coggins, solicitors, of Deddington, in the Church of England Insurance Company, and the crops in the Atlas Office, for which Mr. Saul, of Banbury, is the agent. The damage is estimated at £400.
